Dear [redacted],

Thank you for providing the Council's response to the information requests that I submitted on 15 July 2026 and for the attached disclosure (a Council Tax property list).

May I know the Council's reason for withholding the Unique Property Reference Numbers (UPRNs) corresponding to the properties on the list? The file includes a column heading for UPRNs but not the values.

Kind regards,

Owen Boswarva

Owen Boswarva,

Sorry for the late response.

Attached is the list.

The Council does not own intellectual property to this list so is unable to licence this.

It is received from the Valuation Office Agency. I would suggest that you contact the Valuation Office Agency to seek their permission.

You may, if dissatisfied with the treatment of your request, ask the council to conduct a review of its decision under the council's complaints procedure. The review will be carried out by someone who has not been involved in dealing with your request for information. Please e-mail or write if you would like a review.

If, following the review, you remain dissatisfied with the council's treatment of your request then you may take your complaint to the Information Commissioner at Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Thanks
