Owen Boswarva,

I am sorry I should have pointed out that the Council does hold UPRN it does not link the CT to the UPRN – I understand that this is in the VOA data.

To provide the UPRN with linked to the CT data is estimated to exceed the time limit so it excluded under Section 12 of the FOIA,

To achieve this, you would have to restrict the number of properties your request covers.

You may, if dissatisfied with the treatment of your request, ask the council to conduct a review of its decision under the council's complaints procedure. The review will be carried out by someone who has not been involved in dealing with your request for information. Please e-mail or write if you would like a review.

If, following the review, you remain dissatisfied with the council's treatment of your request then you may take your complaint to the Information Commissioner at Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.

Thanks

Subject: Request for Council Tax List.

Owen Boswarva,

Sorry for the late response.

Attached is the list.

The Council does not own intellectual property to this list so is unable to licence this.

It is received from the Valuation Office Agency. I would suggest that you contact the Valuation Office Agency to seek their permission.
