Please find below, details of your Freedom of Information Act request.

Your request was logged on the Council's Information Requests System, with the reference number 15971.

Please note that this reference number (15971) relates to your Information Request only.

-

(Your Re-use Request has been logged on the Council's Information Requests System, with the reference number 15972, and a response to that request will be issued separately by the Council's Legal Section.)

-

Please find, as an attachment to this email, the information that can be extracted from the Council's Council Tax System.

There is no linkage between property information on the Council's Council Tax System and the Unique Property Reference Number (UPRN), which means that to provide that information the Council's Planning Section would need to check each property and manually add the UPRN against the relevant property address on the attached spreadsheet.

To do this for the 57,081 properties on the attached spreadsheet, we estimate that this would take the Council well over the 18½ hours threshold, and the "appropriate costs limit" of £450, and therefore the Council would be under no obligation to comply with that part of your request.

I trust that this information satisfies your information request.

If you have any further queries regarding your request, please do not hesitate to contact Mr Anthony Stevenson, the Client Officer, on telephone number (0115) 9013991.

If you are not satisfied with how your request has been dealt with then you should complain by writing to the Chief Executive. Your complaint should be sent to executivesupport@gedling.gov.uk, or marked for the attention of Executive Support at Gedling Borough Council, Civic Centre, Arnot Hill Park, Arnold, Nottingham, NG5 6LU.

If you are still not satisfied with the outcome of your complaint then you have a right of appeal to the Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone: 01625-545-700, or www.ico.org.uk

Subject: 15971 Council Tax band

Good afternoon,

Information request

I would like to request the Council's current list of all domestic properties within the Gedling Borough Council area, including the full address, the assigned Council Tax band, the Council's local property reference, and the Unique Property Reference Number (UPRN) for each property on the list.

My preference is to receive the above information electronically in a re-usable file format such as Excel or CSV.

Re-use request

I further request, in accordance with regulation 6 of the Re-use of Public Sector Information Regulations 2015, permission to re-use all information provided in response to the above access to information request for the purpose of combining that information with data from other public datasets and making the outputs available to others in a re-usable electronic form under an open licence. I request that Gedling Borough Council grants permission to re-use the information for this purpose either without restriction or under the terms of the Open Government Licence v3 (<http://www.nationalarchives.gov.uk/doc/open-government-licence/version/3/>) or an equally permissive licence. Given my intended use, any more restrictive licensing terms would be likely to "unnecessarily restrict" the way in which the information can be re-used, contrary to RoPSIR regulation 12.

If any third party owns intellectual property rights in any of the above requested information which the Council is not authorised to license, please specify the relevant information and the name of the third party. My re-use request relates to the remaining part of the requested information.

Further information request

If Gedling Borough Council is unable to disclose any of the above requested information, or is unable to grant permission to re-use any of the information as requested, please also disclose any information that the Council holds explaining those restrictions or barriers, including any relevant contract or agreement to which the Council is a party or under which the Council is bound.

Additional notes

1. I think the Council Tax property list is most likely to be held by the Council team that administers Council Tax.

2. For the avoidance of doubt, the scope of my request does not include billing numbers, financial reference numbers, or any other references related to Council Tax accounts.

3. I am aware that the Valuation Office Agency (VOA) / HMRC provides an online lookup service for Council Tax bands, but that service does not make the bulk data I am requesting "reasonably accessible" to me within the meaning of section 21 of the FOI Act.

Thank you for your attention to the above requests.

Kind regards,

Owen Boswarva
