Dear Owen Boswarva

Access to Information Request – Request no EIR2023/00530

Thank you for your request for information, which we received on 30 July 2023. Your request has been considered under the Environmental Information Regulations 2004 (the EIRs).

You asked for the following information:

I would like to request some information related to Sites of Special Scientific Interest (SSSIs) in England.

A list of all Biological SSSIs in England, the county in which they are found, their constituent Units, the size in hectares of each Unit, the condition (Favourable, Unfavourable, Recovering, etc) of each unit and the year in which each SSSI Unit's condition was assessed by Natural England. As well as any other information contained in a spreadsheet that Natural England provided to the campaign group Wild Justice under cover of a letter dated 4 May 2023, your reference EIR2023/00308.

Please find the spreadsheet attached which provides the information requested.

If you have any queries about this letter, please contact me. As you may be aware, under the legislation should you have any concerns with the service you have received in relation to your requests and wish to make a complaint or request a review of our decision, please contact me and I'll arrange for a colleague to conduct an internal review.

If you are not content with the outcome of that complaint or the internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Commissioner cannot make a decision unless you have exhausted the internal review procedure provided by Natural England. The Information Commissioner can be contacted at: <https://ico.org.uk/global/contact-us/> or call on 0303 123 1113 (local rate), www.ico.org.uk.

Yours sincerely
