Subject: FOI and RoPSIR requests: membership of risk protection arrangement (RPA) scheme

To: <Academies.RPA@education.gov.uk>

Good morning,

The Department for Education operates a risk protection arrangement (RPA) scheme for academy trusts:

<https://www.gov.uk/academies-risk-protection-arrangement-rpa>

This is a Freedom of Information request for some information about membership of the RPA scheme.

Please provide a list of the academies (or academy trusts) and free schools that are members of the RPA scheme, based on the most recent date for which that information is held. Please include at minimum the name of the school and a unique identifier such as the URN or DfE Number, and ideally also the name of the local education authority (LEA).

This request is for an update to information that EFA provided in response to my earlier requests in May 2015 (your ref 2015-0023814), December 2015 (your ref 2015-0054751), July 2016 (your ref 2016-0033773), March 2017 (your refs FOI: 2017-0004214 and CRM: 0049325), and July 2019 (your refs FOI: 2018-0034314 and CRM: 0988036).

In addition I would like to request, in accordance with regulation 6 of the Re-use of Public Sector Information Regulations 2015, permission to re-use the above information for the purpose of combining that information with data from existing open public datasets and making the outputs available to others in a re-usable electronic form under an open licence. I therefore request that DfE/EFA grants permission to re-use the information for this purpose under the terms of the Open Government Licence v3 (<http://www.nationalarchives.gov.uk/doc/open-government-licence/version/3/>). Given my intended use, any more restrictive licensing terms would be likely to "unnecessarily restrict" the way in which the information can be re-used, contrary to RoPSIR regulation 12.

Thank you for your attention to these information requests.

Kind regards,

Owen Boswarva
